

# Helping Businesses Grow & Succeed

WordPress Webinar – Resource Links:

Highly Recommended – Establish a Gmail Account and connect all of your social media to the account. This will save you time in the long run, especially if you decided to set up a Google Business Page <https://www.google.com/business> as well as other tools like Google Docs, Google Places, Google Apps, etc. You can do more research here <https://www.google.com/business/>
